Fundraisers ~ Raise Money ~ Have Fun

"...I want to thank you for all of your help over the past five years in ensuring that my Girl Scout troop's fundraisers at your facility have gone smoothly and efficiently... My first troop earned enough money to go on a cruise to the Bahamas and the second troop is leaving soon for Club Med on Paradise Island. Of course, we did other fundraisers, but the bowling event far out-earned the rest... Again, thanks for your help in making this event work so well for all parties."

Becky D'Alleinne, Leader, Troop 341, SU#2,
Girl Scouts of Rolling Hills

FREE Bowling Tips

1. Your thumb steers the balls.
2. Use the arrows as a guide on all shots
(that's what good bowlers do)
3. Shake hands with the pins to get a hook.
A hook (rotation on your ball) makes your ball more powerful when it hits the pins.

Here's Some Customer Feedback...

"Todd and I are still basking in the reflected glow of Todd's 40th birthday party at Oakwood Lanes. Our friends, some of whom have not been bowling in decades and were therefore skeptical of our chosen venue, were delighted to have rediscovered this sport in the context of such a quality establishment. I'm sure many would agree while trying to juggle a glass of champagne and being offered a shrimp cocktail is not what most people would expect... Above all, what continues to amaze both Todd and I about this wonderful event remains the extraordinarily high quality of service and support that you and your team brought to bear in making this the best party we've ever hosted. I recognize that what we requested could not have been easy to fulfill: passed hors d'oeuvres, dedicated wait staff, rented champagne flutes, custom-embroidered baseball caps, special birthday banners hung everywhere, and let's not forget the wildest birthday cake anyone's ever seen. And yet you handled it all with grace, good humor, and exceptional professionalism. In the course of my career, I have worked in the realm of hospitality on two Olympic games, Albertville and Barcelona, as well as the 1994 World Cup. It would give me great pleasure to verify that Oakwood Lanes, exceeding expectations and delighting guests, is business as usual..."

Denise Stires, Califon, New Jersey

"...I'd just like to take this opportunity to thank you and your staff for making our Merck team-building event a huge success... I have to admit I was a bit nervous about having a team-building event at a bowling alley... But after just a couple of practice shots, everyone was bowling with a vengeance!... It was wonderful to see the camaraderie between co-workers and a touch of friendly competition, as well... I look forward to working with you again..."

Frances Graham, Event Coordinator, Merck

"...When I first announced at a staff meeting that we would hold our next training at Oakwood Lanes there were a lot of bewildered looks and many questions. How could we use bowling as a teambuilding exercise?... On the day of the training we started out with a delicious lunch in your restaurant, Sports Scene... The training moved along nicely, everyone had fun and we ended right on time!... As a meeting planner I am always relieved to find competent staff attending to us at our chosen location... I would recommend your establishment and your teambuilding exercises to anyone looking for an alternative to classroom training..."
