Testimonial from Keven Kohler and his son Adam, a North Hunterdon Student

The Oakwood Lanes Youth Adult Program has not only allowed us to enjoy a sport together but has also allowed us to spend some good quality time. As our bowling has improved we have had the opportunity to travel to several tournaments which we enjoyed. After winning the NJ Family tournament we traveled on an all expenses paid trip to the national finals in Dallas. That was an experience we will remember forever. My son also went to Australia in '05 to bowl which was another wonderful opportunity. We've bowled for 3 years so far and have had the pleasure to share some great times together.
